

## „For special events“ 4-night stays in a single or double room

Do you have a special event to celebrate? A big birthday, an anniversary or another private event? We have created a special 4-day offer for you for such an event: You will stay with us in a room with half board. There will be special small gifts for you in your room upon arrival. We will also treat you to a 30-minute classic massage. You can have your daily breakfast in the restaurant and help yourself from our large fresh breakfast buffet, or we can serve you breakfast in your room according to your wishes.

For dinner, served in 5 courses, you are spoiled for choice with 4 main courses.

On the evening of your anniversary, we will serve you by candlelight, either in the restaurant, in the winter garden or, if you prefer it rustic, in the farmhouse parlour. Or, weather permitting, on our terrace with a 7-course menu of your choice agreed in advance with our chef, including drinks. Don't worry – the courses will be such that you won't feel stuffed after eating them.
