The Bad Salzufler Christmas dream is really a "little dream", as Horst Lichter would say. It is not for nothing that our Christmas dream is always voted one of the top places.

the historic old town is decorated and illuminated for christmas, stands with delicacies and handicrafts line the streets up to the salzhof, the central square in our town.

there the beautiful nativity scene village and the large Christmas pyramid will enchant you. A festive program will be presented on a stage and the stands will invite you to a glass of mulled wine, Feuerzangenbowle punch and various dishes.
