

The Summer Dream

All-inclusive from 23.06. until the 01.09.2024 at half-board price

Welcome dear summer time: the sun rays are getting stronger and warmer, a wonderful time. Enjoy it to the fullest with our special offer at half-board price: For the perfect summer dream, we offer you sunshine for the soul: three meals a day, coffee and cake in the afternoon, as well as all drinks* in the restaurant and at the bar, including your minibar*2. Your day starts with a rich breakfast and, if you wish, a glass of sparkling wine. Our hotel also serves a good glass of wine with lunch and dinner.

Enjoy the long, warm evenings on our terrace. How about a delicious ice cream, one of our "summer dreams", or a freshly tapped beer? At the end of a relaxing day, we offer you a nightcap at the bar for a restful night's sleep.

Pure relaxation can be found in the warm thermal brine water of the therapy center, which is less than 100 meters from our hotel - this experience is also all-inclusive.

Have you found a taste for our offer? Then simply book your "all-inclusive summer dream" at half-board price.
