

„The month of May has arrived“

All-inclusive from April 28.04. until the 02.06.2024 at half-board price.

In May, the often sung about month of bliss, it is especially delightful in Bad Salzflun. The air is clear and pure, the temperatures are pleasant and everything is green, even on our balconies: Here our geraniums bloom, which we traditionally plant in the balcony boxes in the last week of April. Enjoy it, the month of bliss – enjoy it with all your senses! And of course, good food and drink are also part of it. That's why we are pleased to offer you this all-inclusive offer at half-board price.

This offer includes three meals a day, coffee and cake in the afternoon, as well as all drinks*, both in the restaurant and at the bar, as well as from your minibar*2. Start your day with a glass of champagne at breakfast. Round off your lunch and dinner menu with a good drop of wine. A nightcap at our bar will surely help you relax and have sweet dreams.

Do you want to pamper yourself? Then swim in the warm thermal saltwater of the therapy center, which is less than 100 meters from the Kurpark Hotel – of course, this relaxation is also all-inclusive.

Have you found a taste for our offer? Then simply book your "May All-Inclusive" at half-board price.
